## F0279 - Canadian Science and Technology Historical Association fonds

**Fonds/Collection Number:** F0279

**Title:** Canadian Science and Technology Historical Association fonds

**Dates:** 1980-1991

**Extent:** 0.30 m of textual records

**Biographical Sketch/  
Administrative History:** The Canadian Science and Technology Historical Association was established in 1981 to promote an interest in the scientific and technological heritage of Canada, through production of a scholarly journal, 'Scientia Canadensis,' and the sponsoring of biennial conferences at Kingston, Ontario. Its membership is largely drawn from the fields of academe and government.

**Scope and Content:** The fonds consists of general correspondence of the Canadian Science and Technology Historical Association, 1980-1991, as well as material relating to the biennial Kingston conferences, including invitations, agendas, programmes, correspondence, financial material, and copies of some of the papers delivered.

**Restrictions on  
Access and Use:** Some access restrictions may apply.

**Finding Aid:** File list available.

**URL of Finding Aid:** <http://archivesfa.library.yorku.ca/fonds/ON00370-f0000279.htm>

**Accruals:** The fonds comprises the following accession: 1992-021. Further accruals are expected.

**Provenance Access Points:** Canadian Science and Technology Historical Association

Date of creation: 2002/04/04

Date of last revision: 2003/04/15
