**Biographical Sketch/
Administrative History:** The York University Archives was established in 1970 as a department in the York University Libraries to preserve and provide access to the records of York University and research collections of documents donated by individuals and organizations whose activities fell within the collecting focus of the archives' acquisition policy. The name was changed to the Clara Thomas Archives in 2005.

Scope and Content: Collection consists of small collections and discrete items acquired from a variety of sources that have enduring research value.

S00602 Victorian correspondence

**Restrictions on
Access and Use:** May be some restrictions on access. See series and file level descriptions.
