

S00114 - Committee for Intercultural/Interracial Education in Professional Schools files

**Series Number:** S00114

**Series Title:** Committee for Intercultural/Interracial Education in Professional Schools files

**Dates:** 1988-1995

**Extent:** 0.3 m of textual records  
7 audio cassettes  
2 videotapes

**Biographical Sketch/  
Administrative History:** The Committee for Intercultural/Interracial Education in Professional Schools (CIIEPS) was composed of an interdisciplinary group of academics whose membership reflects the inter-cultural and interracial mix of Canadian society. The CIIEPS was formed to advocate, encourage and support curriculum change in professional schools so that graduates would be adequately prepared to serve the needs of an increasingly multicultural and multiracial clientele.

**Scope and Content:** The series consists of applications, reports, working papers, notes, drafts, correspondence, newsletters, minutes, notebooks, members submissions, audio and video recordings of workshops, and other material created and/or accumulated by Norquay while she served as chair and member of the committee.

**Other Notes:** 1. Title based on contents of series.
