

S00174 - Day books

Series Number: S00174

Series Title: Day books

Dates: 1950-2002

Extent: 4.46 m of textual records

Scope and Content: Series consists of chronologically arranged day books kept by Clarke which range in content from daily diaries to notebooks. The day books were used to keep track of daily appointments and/or engagements and document his day to day activities. Many of the day books contain loose material such as copies of agendas, minutes of meetings, receipts, correspondence or photographs. The series also includes a smaller number of pocket day timers and address books.
