

## S00235 - Karl Polanyi

**Series Number:** S00235

**Series Title:** Karl Polanyi

**Dates:** 1947-2004, predominant 1953-1963

**Extent:** 1.11 m of textual records  
1 video cassette

**Scope and Content:** Series consists of records documenting Medow's relationship with Karl Polanyi as his graduate student (at Columbia University) and professional colleague. Includes records of graduate seminars with Polanyi and the Columbia University Interdisciplinary Project, correspondence with and notes from conversations with Polanyi, Medow's writing about Polanyi's ideas, as well as records from their joint work (unpublished) tentatively entitled "The New West" or "For a New West". It also includes correspondence, notes and drafts or works in progress that document Medow's ongoing academic interest in Polanyi's work and contains correspondence with Japanese academic Takeshi Murota on their joint work "The Legacy of Karl Polanyi and Beyond".

**Language of Material Note:** Some material is in Russian.
