

S00292 - Production files

Series Number: S00292

Series Title: Production files

Dates: 1950-1996

Extent: 0.8 cm of textual records
75 photographs : b&w and col. ; 20 x 25 cm or smaller
11 technical drawings : blueprints ; 57 x 115 cm or smaller

Scope and Content: Series consists of records related to Campbell's work as a producer. Although similar in nature to those found in the Scripts series, records here pertain to the overall management of a production, including the creative, financial, technological and administrative components. Series includes handwritten notes, memos, resource requisition forms, budgets, background research into performers and production subjects, program proposals and schedules. Series also contains official brochures or programs of stage versions of a production, and advertising or promotional clippings printed for film versions. Some files also contain technical drawings for the stage and/ or set(s), photographs of performers or sets, sheet music, scene breakdowns, and crew and performer lists.

Restrictions on Access and Use: Certain files require an Access and Use Agreement. Consult the file list for further details.

Other Notes: 1. See also related files in Scripts series and Production notes and reviews.
2. Series includes 24 negatives on 12 filmstrips.
