

S00397 - Teaching : Series C. Keller-plan statistics course - development

**Series Number:** S00397

**Series Title:** Teaching : Series C. Keller-plan statistics course - development

**Dates:** 1976-1987

**Extent:** 1.0 metre of textual records

**Scope and Content:** Series consists of research and course notes, course outlines, lecture notes, quizzes, manuscript drafts, evaluations, newsletters, etc.

**Restrictions on Access and Use:** Files containing personal student information such as grades, are restricted.

**Other Notes:**

1. Series title and description provided by Herzberg.
2. The Keller-plan is a method of individualized instruction, including carefully defined modules, mastery testing on each module, and undergraduate teaching assistants who served in a teaching lab devoted to the course. Herzberg developed the course and wrote a textbook during the first eleven years of the course (nine actual teaching years since Herzberg was on leave for two of the years).
