Dates: 1978-1984; 1999-2003

Extent: 0.32 metres of textual records

Scope and Content: Series consists of manuscript drafts, correspondence with publishers, notes, reviews and publicity material.

Other Notes:

1. Series title and description provided by Herzberg.
2. Herzberg's textbook "Principles of Statistics" was written during the early years and published in 1983 by Wiley. Herzberg's student and TA, Elke Weber, wrote a matching study guide and quizzes which were used throughout the years of the course. The two books were re-published without significant change by Krieger in 1999.
