

S00417 - Homewood Health Care files

Series Number: S00417

Series Title: Homewood Health Care files

Dates: 1996-1998

Extent: 0.3 m of textual records

Scope and Content: Series consists of records created and accumulated by Marilou McPhedran in her capacity as a consultant to Homewood Health Care, a company providing behavioural, addiction and psychiatric services. The records in this series pertain to McPhedran's contract with Homewood, her participation in company meetings and a roundtable for Homewood employees based on a paper titled "Quest for empathy: human health in the post-deficit society." Files in this series include research notes, correspondence, memoranda, briefing notes, draft documents, reports, pamphlets, presentation slides (paper format), annual reports, invoices, conference materials, and journal articles.

Restrictions on Access and Use: No restrictions on access.

Arrangement: Series is arranged in alphabetical order.
