

## S00419 - Liberty Health files

**Series Number:** S00419

**Series Title:** Liberty Health files

**Dates:** 1995-1997

**Extent:** 0.14 m of textual records

**Scope and Content:** Series consists of records created and accumulated by Marilou McPhedran as a consultant to Liberty Health, a supplementary health care provider, from 1996 to 1997. The records in this series document Liberty Health's plans to transition from a not-for-profit corporation to a marketing and sales-driven organization and pertain to McPhedran's work to design and coordinate internal and external working groups to facilitate this process. Also documented in this series is McPhedran's involvement with the Liberty Health-sponsored 1996 Health Matters Expo. The files in this series consist of agendas, memoranda, correspondence, speaking notes, transcripts, draft documents, briefing notes, presentation slides (paper version), press releases, magazine articles, receipts and invoices, executive summaries, and newsletters.

**Restrictions on Access and Use:** No restrictions on access.

**Arrangement:** Series is arranged in alphabetical order.
