

S00430 - University of Waterloo and Pragma Council files

Series Number: S00430

Series Title: University of Waterloo and Pragma Council files

Dates: 1994-2003

Extent: 0.215 m of textual records
1 CD-ROM

Scope and Content: Records in this series pertain to Marilou McPhedran's association with the University of Waterloo and her two terms, in 1994 and 2000, as Planner-in-Residence at the University of Waterloo's School of Planning. These records predominantly document McPhedran's work at the University of Waterloo during the fall of 2000, when she taught a seminar course titled "Building healthy communities : local to global human rights." Also included in this series are records pertaining to conferences of the Pragma Council, with which McPhedran became involved through her association with the University of Waterloo. Files in this series include notes, course materials, correspondence, conference materials, memoranda, newspaper clippings, journal articles, a student paper, and a CD-ROM.

Restrictions on Access and Use: Access to 2012-033/004(1) is restricted and subject to a researcher agreement.

Arrangement: Series is arranged in alphabetical order.
