

## S00482 - Historical newspapers and magazines

**Series Number:** S00482

**Series Title:** Historical newspapers and magazines

**Dates:** 1830-2000, predominant 1963-1969

**Extent:** 0.2 metres of textual material

**Scope and Content:** Series consists of historical publications and newspapers preserved by Knowlton Nash because of the historical significance of their date or content. It includes memorial issues of American and Canadian newspapers and magazines related to the assassinations of John F. Kennedy and Robert F. Kennedy, the moon landing, the deaths of American presidents and Canadian prime ministers as well as early Canadian newspapers from the nineteenth century and newspapers published during World War II. Also included are three Christmas issues of English illustrated newspapers and a 1939 publication regarding the Royal Visit to Canada.

**Physical Condition:** Newspapers are highly acidic and flaking. Some wear on some magazines.
