Scope and Content: Series consists of photographs created and maintained by Pat Fleisher from the 1930s to the late 2000s. The photographs in this series were largely created by Fleisher, though some portraits of Fleisher and her family were created by others, and document Fleisher's work as an artist and as a magazine editor. Fleisher's art photographs were often taken on her travels and focus on the streets and scenery of cities around the world, particularly Toronto and New York. Many photographs in this series depict art galleries, artists and art shows, which were often taken for the purpose of publication in Fleisher's magazines. Also included in this series are personal photographs of Fleisher and her family.

Restrictions on Access and Use: Access to file 2009-059/029 (24) is subject to a research agreement.
