

S00551 - Personal files and speeches

Series Number: S00551

Series Title: Personal files and speeches

Dates: 1969-2009

Extent: 0.3 m of textual records

Scope and Content: Series consists of correspondence, notes, ephemera, address books, files pertaining to family and friends, legal documents, unpublished work, and published articles by or about Robert Lewis. Many of the drafts, edits and final versions of speeches written and given by Lewis are included in the series.

Restrictions on Access and Use: Some restrictions apply. Access to records in 2011-026/052 requires prior written permission from Robert Lewis. Researchers seeking access must make written application to Lewis through the University Archivist, outlining their research project and their purpose in consulting these records.

Arrangement: Series arranged chronologically by type of document.
