

S00552 - Notebooks and planners

Series Number: S00552

Series Title: Notebooks and planners

Dates: 1970-2007

Extent: 2.7 m of textual records

Scope and Content: Series consists of 174 bound notebooks with Lewis's handwritten notes, twelve daily planners, and one address book. The notebooks appear to be related to Lewis's reporting research while following Canadian politics, and reporting on political figures, candidates, and elections, and include his observations, research, and quotes. The planners include working and scheduling notes, and some loose documents tucked inside the books.

Restrictions on Access and Use: No restrictions on access.

Arrangement: Notebooks and planners are sequentially arranged in chronological order.
