

## S00590 - Photographs : portraits

**Series Number:** S00590

**Series Title:** Photographs : portraits

**Dates:** [1890?]-1949

**Extent:** 41 photographs : b&w and sepia ; 47.1 x 31.2 cm or smaller

**Scope and Content:** Series consists of a selection of portrait photographs. Most photographs in this series are studio portraits mounted on photographers' cards and depict unidentified individuals or families. These were likely collected in part for the information they provide about Toronto-area photographers and photographic studios. Other items in this series are group portraits of club or organization members, a class photo, a tourist photograph, and informal family portraits.

**Arrangement:** Series is arranged alphabetically by subject.
