

S00591 - Photographs : stereographs

Series Number: S00591

Series Title: Photographs : stereographs

Dates: [189-]-[190-]

Extent: 81 photographs : b&w, sepia, and col. tinted stereographs

Scope and Content: Series consists of a collection of stereoviews. Most items in this series are from the T. Eaton Co. Limited store in Winnipeg, Manitoba. The rest are stereoviews from other manufacturers like B. W. Kilburn & Company, the Canada View Company, and Underwood & Underwood Publishers that feature Toronto scenes or landmarks. One of the stereoviews is an example of racial stereotyping in the late 19th century.

Arrangement: The items in this series were arranged by publisher of stereographic card series, then alphabetically by subject.

Other Notes: 1. Of the 81 photographs, 22 are 8.1 x 7.9 cm or smaller on mounts 8.8 x 17.9 cm or smaller, and 59 are 9 x 17.8 cm or smaller on card.
