

S00598 - Property development and real estate : corporate publications

Series Number: S00598

Series Title: Property development and real estate : corporate publications

Dates: [198-]-[ca. 2008]

Extent: 0.18 m of textual records

Scope and Content: Series consists of newsletters, catalogues and brochures produced by real estate and property management companies. These items, which were created to promote listings and provide updates on company growth, also document trends and developments in Toronto-area commercial and residential real estate, and the activities and holdings of companies including Royal LePage, Avison Young, Colliers International, the Cadillac Fairview Corporation and others. Also included in this series are items produced by Ontario municipalities to encourage economic growth and investment in their regions.

Arrangement: Series is arranged alphabetically by publication title.
